January 6, 2003

Commissioner:

In response to the Office action mailed October 4, 2002, please amend the above-identified application as follows:

In the Substitute Specification:

Replace the paragraph beginning on page 3 line 23 with the following new paragraph:

D' In a preferred embodiment of the invention it is proposed to fix the position of the housing plates in relation to each other in all three-dimensional directions through the plug-type connectors. This fixing of the housing plates can be produced for example by staking the material in the area of the plug-type connectors, by laser welding or by casting the plug-type connectors and by sticking the connectors.
